

Teachers Now On Tenure In Local School District

Resignations Accepted By Board During Busy Local Meeting

Nineteen members of the faculties of the Tahoe Truckee Unified School District have been placed on tenure.

This was decided at the last meeting of the governing board on a motion by Gordon Moyer and a second by Byron Miller.

Those benefiting from the action were Roy Baker, James Brehler, Geraldine Cavallo, Norman Dewhurst, Lillian Farr, Eugene Goodrich, Barbara Grimm, Dee Osburn, Ross Price, Charlotte Patnoudé, Helen Rauscher, Vernon J. Reynolds, Ruth Roberson, Weston Sauby, Alysmae Schultz, C. William Sciutto, Betty Jo Smith, Guy Wilson and Katherine Wing.

In the same motion, Superintendent John Corbin was empowered to offer contracts to other teachers of the district.

RESIGNATIONS

Resignations were accepted from Mrs. Louetta Mills, a teacher at Kings Beach and Calvin Farley, teacher and coach at the high school.

William V. Roberson was employed as a teacher at the Tahoe Lake School and David Eaton was employed as assistant storekeeper and general helper at the high school.

The board discussed the possibility of a skiing and skating program for the coming year and Corbin was requested to investigate the possibility of using the skating rinks at Blyth arena and to make a report to the board.

Upon a motion by Reginald Smart and a second by Byron Miller and a unanimous vote, the board approved a new contract with Superintendent Corbin for the coming four years.

Corbin reported he had contacted the department of finance of education concerning procedures to apply for a loan to purchase land at Lake Tahoe for a future school building. He advised the board that the department informed him all funds appropriated by the legislature for that purpose had been used and that the only moneys available at this time are for construction of schools.

Four Are Injured In Motor Mishaps

Four people were injured in two accidents reported by the California Highway Patrol during the weekend.

Ernest Zunino, 54, Verdi, passenger in a car driven by Harry Adair of Verdi, and Herbert Kaiser, 30, Coos Bay, Oregon, a passenger in a car driven by William Schook, Coos Bay, were injured in a head-on collision on Observation Bridge on Donner Summit Friday at 2:45 p. m.

Schook was cited for being on the wrong side of the highway.

Sunday at noon, Susan Schomaker, 19, and Bernadette Schomaker, 23, Grass Valley, were injured when a car driven by the former and one by Enright Schaefer, San Francisco, were involved in a collision a quarter mile east of Donner gate.

Both drivers were cited, one for making an illegal turn and the other for not having the vehicle under control.

No one was hurt when cars driven by Arthur Dollar and Robert Pantko, both of Truckee, collided on the main street in Truckee. Dollar was cited for backing into the lane of traffic without clearance. The mishap occurred Saturday.

LICENSE ORDINANCE EFFECTIVE MAR. 10

AUBURN—The board of supervisors of Placer County on February 9 passed Ordinance No. 456 requiring all businesses operating in the unincorporated area of the county to obtain a business license. The ordinance took effect March 10.

The annual fee for all general businesses operating in Placer County is \$12. The cost for the license for the balance of the fiscal year is \$10 and if the license is not obtained by April 10 a 25 per cent penalty will be added. Licenses are obtainable from the tax collector at Auburn.

CHURCH CONFERENCE SLATED ON MARCH 27

The fourth quarterly conference of the Church of the Mountains will be held at 11 o'clock, Sunday, March 27, in the church edifice it was announced this week by Rev. George Symons.

Douglas Ewan, superintendent of the Sacramento, Nevada district will preside.

CARRINGTON EXPIRES

Television Project Bright With Offer Of Free Services

Providing the people of Lake Tahoe and Truckee will form a non-profit corporation, secure a permit from the federal communications commission and advance approximately \$1,000 for a necessary survey, the Admiral Television Company will install, operate and maintain the three translators which will provide three clear channel TV stations to viewers in this area.

This was promised at a meeting held Monday night at Tahoe City when officials from the company met with a large group of interested residents.

Ed Bean, telephone company manager, who has spearheaded the program, said another meeting will be held at Tahoe Lake School in Tahoe City, Thursday, March 31 at 8 p. m. to show the interest of the people in the program. Residents from all parts of the region are urged to attend.

Providing sufficient interest is manifested, the project will be started immediately and be ready for operation within two or three months, Bean said.

The Admiral representatives who attended the meeting Monday expressed willingness to proceed, shouldering all the costs with the exception of the \$20 or so expense converting some sets to receive the translator broadcasts.

Census Takers In Area Are Named

Final testing has been given in Truckee by Phillip Willard of Grass Valley, census enumerator crew leader for this area and Sierra County for the forthcoming 1960 decennial census commencing April 1.

The following have been named to conduct the census in this area: Mrs. Honore A. Hedlund of Truckee, Mrs. Oneta C. Roscoe of Sierra, Mrs. Dorothy Jo Cannon of Soda Springs.

By the first of April most householders will have received an advance report which they may fill out and have ready for the census taker, thus saving time for themselves and the official who will call.

JIMMIE HEUGA WINS IN JUNIOR SKI MEET

The top ten boys and five girls from the six U. S. Ski Associations and one Canadian Ski Association, gathered this year at Aspen, Colorado, to compete for the titles of Junior National Champions.

Tahoe Truckee's Jimmie Heuga won the title of 1960 Junior National slalom champion after two beautiful runs down the tricky slalom courses set by Stein Eriksen and Trigby Berg.

Jimmie had a bit of hard luck in the downhill. He fell and lost a ski and did not finish. This killed his chances to place in the combined. He placed seventh in the Giant Slalom.

Starr Walton, now of Sacramento, who attended Tahoe Truckee for the first two weeks of the current school year, tied for fourth place in the downhill with Sharon Pecjak of Aspen. She also placed fourth in the giant slalom. However, she fell and injured her leg in the first run of the slalom and did not finish. She is walking now, as the torn ligaments heal, and hopes to race at the American Legion Championships April 1-3, to be held at Sun Valley, Idaho.

SPORTSMEN PREPARE FOR IMPORTANT MEET

Officials of the state fish and game department will attend a meeting of the Truckee Outdoor Sportsmen at Capitol Hall Friday, April 8 at 7:30 p. m. and all sportsmen in the area are being invited to attend. Discussions will center about the program planned for this region during the coming year. Charles Osburn will preside at the meeting.

To Panama—

Mr. and Mrs. William Householder and family have returned to Panama after an extended stay here. Householder is a brother of Mrs. A. Allison of Donner Lake.

Return

Mr. and Mrs. C. E. Bosen who spent some time at Temple City have returned to Tahoe City for the season.

Program For Year Listed By Apple For Booster Group

Squaw Park Official Tells Of Progress Made In Changeover

Lee H. Apple, new president of the Truckee Donner Chamber of Commerce, at the meeting at Smart's yesterday outlined a seven-point program for the coming year on which the chamber will concentrate.

These points were listed as follows:

1. Continue investigation of feasibility of incorporation.
2. Promote cleanup program.
3. Renew public parking lot lease.

4. Promote museum at Donner Memorial State Park.

5. Cooperate fully with local boards in an effort to improve services to the community.

6. Promote signs for diversion of traffic into community.

7. Have at least one representative of the chamber at each meeting of the board of supervisors.

Apple announced that he has not been able to contact all the members of the chamber he wishes to serve on the board of directors and that the list of 18 will not be announced until the next meeting on April 6 at Smart's.

WILSON SPEAKS

Ted Wilson, park supervisor of Squaw Valley for the division of beaches and parks, spoke before the meeting explaining what steps are being taken to convert the facilities into a year round recreation center explaining some of the problems, such as parking, housing for the 40 or 50 employees and their families and other phases of the operation.

Wilson answered questions relative to the changeover which will be effective April 1 but details of which cannot be completed before the end of next month.

The speaker said that since the first of the year nearly half a million people have visited the valley indicating the tremendous potential there.

LOEHR URGES BOARD TO ACT ON BUILDING

NEVADA CITY—Supervisor Henry Loehr of Truckee Wednesday prodded the Nevada County Board of Supervisors to get something going on a desperately needed building program both in Nevada City and Truckee to take care of crowded and inadequate facilities.

Four firms at Sacramento were suggested by the Consulting Engineers Association as capable of advising the county on building matters. Secretary of the board John T. Trauner was instructed to get information on all four and the board will extend an invitation to one of them to come up and talk building to them.

DICK BUEK MEMORIAL RACE SET FOR SUN.

DONNER SUMMIT—The third annual running of the Dick Buek Memorial Race will be at Donner Ski Ranch Sunday, March 27 and all junior racers under the age of 18 are being invited to enter.

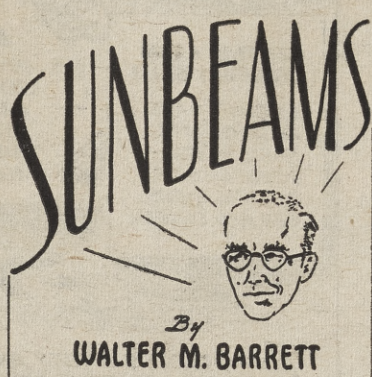

Awards will be presented to the top three boys and the top three girls in each of five age groups, nine and under, 10 and 11, 12 and 13, 14 and 15 and 16 to 18. In addition the names of the top boy and girl skier of the day will be engraved on the perpetual trophy to be displayed at the site of the race.

Starting time for the race is 11 a. m. and the course will be set by Norm Saylor of the Donner Ski Ranch. Entries will be received up to 10 a. m. the day of the race. Information may be obtained at the Ski Ranch.

CUB SCOUTS TO GET AWARDS IN MEETING

Awards for their achievements will be received by Cub Scouts from their Cubmaster, William D. Davis at a pack meeting to be held Monday evening, March 28 at 7:30 o'clock in the Tahoe Truckee High School building.

All parents of the Cub Scouts are urged to attend the awards meeting with their boys. Robert Schooley is secretary and treasurer of the organization.

The last time a grizzly bear was seen in California was in 1924. One may live in the state all his life and never see a big horn sheep or a wolverine. Only pitiful remnants remain of once huge bands of tule elk that used to roam the interior valley. Once waterfowl darkened California skies for days during their annual northern and southern migrations. They don't anymore. This is a prelude to remarking that this week (March 20-26) is National Wildlife Week. Its annual observance will highlight conservation problems relating to natural resources and effects on species of wildlife. Californians may well ponder whether the state will harbor much wildlife in the future, the way its wildlands, tidelands and marshlands are disappearing as population and industry grow. If National Wildlife Week does nothing more than arouse Californians to an awareness that the wildlife question will not solve itself, that it should not be allowed to drift, that hard decisions should be made, it will have served its purpose this year.

Stout, Sassarini To Operate Disposal

Harry W. Stout and August Sassarini have purchased the Truckee Sanitary Service from Ray Brown and effective last Monday will operate the Truckee Donner Disposal Service, the new name for the concern, under contract with the Truckee Sanitary District.

Mr. and Mrs. Brown are moving to Roseville to make their home and Brown will be employed there by the division of highways.

The new owners are both well known here and plan to improve the service as time goes on, offering a maximum disposal service.

Not being entirely familiar with the route, they are asking that if anyone is missed in garbage collection they be notified by telephone. An ad on another page gives details.

WARNING IS ISSUED ON VALLEY SEWAGE

AUBURN—Albert S. Marino, director of sanitation for Placer County, warned against overloading the sewer plant in Squaw Valley to prevent contamination in Squaw Creek and the Truckee River.

Marino said the plant is designed for 450,000 gallons of effluent per day. He pointed out on February 23 there were 800,000 gallons of effluent released, and on February 29, the peak attendance day during the VIII Olympic Winter Games, there were 1,000,000 gallons. He said samples, which were taken from the streams, were cloudy and turbid.

Marino stated the overloading of the plant could result in serious stream contamination, especially if other subdivisions or businesses connect to the sewer system.

He advised qualified, trained personnel be employed for the daily maintenance and operation of the plant.

BIRTHDATES FETED BY LOCAL PEOPLE

Linda Russell, daughter of Mr. and Mrs. Lauren Russell of Meadow Lake Park was the center of attention at a family dinner and opening of gifts on March 21, her birth date.

Other local people observing their natal dates on the 21st include William Curran and Eugene Gini. Lloyd Everett preceded them by celebrating March 17 as his anniversary.

TO ATTEND MEET

Mrs. Elizabeth Stewart, dean of girls at Tahoe Truckee High School, will be among the one hundred and fifty members of the northern region of the California Association of Women Deans and Vice Principals attending the biennial convention in Monterey, March 25-27.

Hockey Games At Blyth Arena Set For April 2nd, 3rd

Canadian Teams Will Play Here As Plan Made For Valley

Winnipeg's Warriors and Calgary's Stampede, two top ranking professional hockey teams will meet at Blyth arena in Squaw Valley April 2 and 3 in what promises to be a real outstanding event.

The games are being played under the auspices of the Catholic Youth Organization of Sparks, Reno and Carson City, cooperating with the Organizing Committee of the Olympic Winter Games.

Bus companies will make special trips from Reno, San Francisco and Sacramento to accommodate the fans who have previously evidenced their interest in hockey by crowding the arena during the Olympics.

Prices will be as follows: \$3 for the end zones (children \$1.50) \$4 for the west or open end side seats; \$5 for loges and \$10 for boxes. Tickets are on sale at the Holiday Hotel, Riverside Hotel and Southworths Cigar Store in Reno as well as at Greyhound bus station.

Both games are scheduled for 2 p. m.

Committee Gives Valley Fund O. K.

The senate finance committee Tuesday approved nearly \$1,000,000 for the operation of a state park at Squaw Valley.

The appropriation of \$991,043 was asked by Governor Brown as part of his regular fiscal 1960-61 budget for support, property acquisition and development at the 1960 Winter Olympics site.

Charles DeTurk, director of beaches and parks said the budget was a minimum to keep the area open to the public so the 1961 legislature can decide its ultimate use.

TRUCKEE GROUP AT RENO BALLET FETE

A group of local people last Wednesday evening attended a display of ballet technique presented by the American Ballet Center Company under the direction of Robert Jeffrey. The affair was given at the fourth concert of the Reno Community Concert Association.

The performance, lasting two hours, ranged from classic ballet to modern dance. The fifth and final program will be presented April 1 when the association will present Donald Gramm, young bass-baritone.

Among those attending from this area were Mrs. I. Firpo and daughter, Stephanie, Mrs. Wm. Englehart, Jr., Mrs. Sherman Reams, Mrs. C. W. Scuitto, Mrs. Elmer Brown, Mrs. R. Hintz, Charles and Evelyn, Miss Renee Hall, Mr. Kit Schull, Mr. and Mrs. Victor W. McLane and Anne, Mr. and Mrs. Ray Plunkett of Crystal Bay and Rev. and Mrs. Earl Langguth of Kings Beach, Zeke Romo.

CHAMBER SPONSORS ENTRY IN CONTEST

The Truckee Donner Chamber of Commerce at Wednesday's meeting voted to sponsor a queen in the Donner Lake Fire Department Auxiliary's contest to select a local girl to preside at the annual regatta in July. Other organizations are being invited to enter queen candidates for the selection to be made April 30 at a box social to be given at the Truckee elementary school.

Mrs. Richard Walker appeared before the chamber to explain the rules and invite participation.

TWO BABIES BORN AT HOSPITAL HERE

Two couples of Lake Tahoe welcomed additions to their family circles at Tahoe Forest Hospital within the week.

Mr. and Mrs. Hugh Jones of Tahoma became the parents of a son named Scott Thomas, March 19. His first weight was noted at 8 pounds, 6 1/2 ounces.

Robie Ann, daughter of Mr. and Mrs. Norman Wilson of Tahoe City arrived March 22, tipping the scales to 3 pounds, 13 1/4 ounces.

Recreation Use Of Forest Shows Big Gain During Year

Recreation use of the Tahoe National Forest continued its steady rise with an increase during 1959 of 10 per cent over 1958 in all categories except winter sports, which increased 30 per cent.

This is according to an activity report recently compiled by Henry E. Branagh, forest supervisor.

The stimulus of the Olympic Winter Games at Squaw Valley probably accounted for the increased winter activities, the report said.

It is estimated that 502,400 persons enjoyed the forest recreation facilities in 1959, spending some 964,000 man days in the area. In addition some 3,500,000 persons traveled the highways which traverse the forest.

Though the Olympic Winter Games were held in February, playing host to 280,000 visitors, Tahoe Forest personnel expended much time and effort last year administering the special use permit for lands upon which the events were held.

Considerable amount of effort also was spent in the Bear Creek (Alpine Meadows) and Ward Creek drainage working toward establishment of additional large scale winter sports developments in these areas.

Plans were also made for future construction of another campground along the Truckee River near Deer Creek. The acquisition of an important piece of land along the west shore of Lake Tahoe will enable the forest to develop additional public campgrounds and picnic area under the Operation Outdoors program. This area dedicated last summer will be known as the Kaspian Campground area.

ANNUAL HAT PARTY AT LAKE PLANNED

KINGS BEACH—The annual hat party of the North Tahoe Women's Club will be held at Nevada Lodge in the Nevada Room, Monday, March 28, cocktails at 7 p. m., dinner at 7:30.

At this time the following officers will be installed for the ensuing year: Mrs. Bethel Vantassel, president; Mrs. David Crowe, first vice president; Mrs. S. C. Simmons, second vice president; Mrs. Michael Plevel, secretary; Mrs. Otto Walter, treasurer.

The retiring officers who have enjoyed a very successful year are: Mrs. Robert Daneri, president; Mrs. Pearl Francis, vice president; Mrs. Robert NyBlom, secretary; Mrs. Otto Walter, treasurer.

Mrs. Ray Plunkett is program chairman and a very interesting evening is being planned by the Sierra Winter Stock Company.

Prizes for the most original, prettiest and most comical hats, will be awarded after being judged by three men.

Reservations may be made by calling Nevada Lodge, Liberty 7-2541, or Mrs. Otto Walter at Liberty 6-2131.

NAGEL ENTERS RACE FOR CONGRESS SEAT

Frederic H. Nagel, Jr., Susanville rancher and businessman, filed his declaration of candidacy yesterday morning for the United States Congress from the 19 county 2nd District with Lassen County Clerk Nadene Wemple.

With the abolition of cross filing in 1958, the 52-year old Republican leader said he would seek his party nomination at the June primary and take his campaign to the electorate at large to win the seat at the November general election. Counties included in the 2nd District are Modoc, Siskiyou, Trinity, Shasta, Lassen, Tehama, Plumas, Butte, Sierra, Nevada, Placer, El Dorado, Amador, Alpine, Calaveras, Tuolumne, Mono, Mariposa and Inyo.

SPEAKERS

Rev. Roy Rhoades spent last week in Vancouver, Washington at the conference of the Independent Fundamental Churches of America where he spoke before a group of ministers. Mrs. Rhoades was guest speaker at the new Calvary Baptist Church in Reno on the occasion of their last women's missionary meeting.

Falls While Skating—

Mrs. Dave Rose had the misfortune to sustain head and other injuries last Thursday while skating at Squaw Valley. She has been a patient at Tahoe Forest Hospital and her friends are hopeful for her early recovery.

Bids Will Be Open Next Month For Nearby Highways

Hobart Mills Road Slated For Construction In Near Future

The state division of highways today called for bids, to be opened April 20, for two highway projects in Nevada County with a total construction budget of \$1,154,010, according to officials at the Marysville district office.

The big job calls for the relocation of State Sign Route 89 from U. S. Highway 40 near Truckee, north to 1.9 miles north of Hobart Mills, a total of 6.6 miles.

On an almost entirely new alignment, the two-lane highway will travel nearly due north from Truckee, and west of the existing route, to skirt the reservoir to be created by the Prosser Creek dam, the contract for which was awarded last fall.

The work will also include construction of a 131-foot bridge over Prosser Creek, west of the dam site and reservoir and near Hobart Mills. Portions of the present road which will not be flooded by the new man-made lake will be resurfaced or seal-coated.

A total of \$1,060,310 is available for the new route, including \$725,000 state highway funds, and estimated \$330,535 to be paid by the Federal Bureau of Reclamation which is building the dam, and about \$4,775 from Fibreboard Paper Products Company.

BROCKWAY ROAD

The second job will reconstruct and widen Brockway Road from the Nevada-Placer county line to 1.5 miles north, about one mile south east of Truckee.

The county road, also known as the Kings Beach Cutoff, is part of the federal aid secondary system. A total of \$94,190 is available for the project, including \$49,888 in FAS funds, \$35,776 state matching money and \$8,536 in Nevada County funds.

Airport Directors Named In Election

With one of the highest votes ever recorded in the district, the five directors of the Tahoe Truckee Airport District were elected Tuesday.

A total of only 106 ballots were cast, 35 at Kings Beach, 33 at Truckee, 17 at Floriston, 13 at Tahoe City and eight at Soda Springs.

The board now consists of Zeph Rose, Lee Apple, Rex Reid, Fred Schultz and John Houlgate. The latter is the new member, having replaced Walter Speeter of Tahoe Vista who was not a candidate.

RENO AUXILIARY OF VFW AIDS FAMILY

"We didn't know there were so many nice people."

This was the surprising conclusion reached by William Barrett whose family was left homeless and without any of their personal effects following a fire last week at their home here.

Barrett was referring to the many offers of assistance given them by scores of neighbors and friends.

One of the most noteworthy aids came from the Auxiliary to Post No. 407, Veterans of Foreign Wars at Reno where the women of the relief committee headed by Mrs. Miriam Lewis, chairman and Mrs. Ann Shulley, co-chairman provided a large collection of wearing apparel, blankets, kitchen and table ware for the destitute family.

The Auxiliary worked far into the night to wash, iron and prepare the gift. They plan to continue this notable service for similar cases in all parts of the Reno area.

SOPHOMORE WINNER IN SPELLING CONTEST

Willie Wilbur, a sophomore, was the winner of the spelling bee at March 10 High School PTA meeting. The spellers for the parents were Mrs. Michael Cinani, Mrs. Charles Davis, Mrs. William Englehart, Jr., Mrs. Ben Ferrari, Mrs. Roy Rhoades, Mrs. Eugene Riden, Mrs. William Sciutto and Mrs. Charles Carroll.

Contestants for the students were Linda Davis, David Decker, Albert Eberhart, Bennie Ferrari, Walter Mandeville, Dusty Rhoades, Tim Riden and the champion, Willie Wilbur.

Mrs. Eugene Riden has taken over the presidency following the resignation of Mrs. Frank Burke.

FREITAS MEMORIAL RACE IS SCHEDULED

NORDEN—The Sugar Bowl will be host for the Bill Freitas memorial race, sponsored by the Alpiners Club on April 2.

There will be a dual course set by Junior Bounous on Mount Disney. A total of 180 racers are scheduled to enter the contest.

On April 3, the Alpiners Club race will be held at Sugar Bowl.

LEGISLATOR WANTS
VALLEY NAME CHANGE

SACRAMENTO — (CNS) — An
assemblyman from Fresno County
has called on the Division of
Beaches and Parks, when it takes
over the state's multi-million-dol-
lar facilities at Squaw Valley, to
find a new name for the resort
area.

Assemblyman Charles B. Gar-
rigus said the name of Squaw Val-
ley is properly held by a com-
munity about 40 miles east of

Fresno.

"Two generations of soldiers
have left Squaw Valley, in Fresno
county, to fight wars and have re-
turned," Garrigus said. "The fed-
eral Bureau of Geography has
designated the community official-
ly as Squaw Valley."

Garrigus said he had no sugges-
tions or preferences as to what
the area near Lake Tahoe might
be called, just so it's not Squaw
Valley.

Thomas A. Edison was granted
his first patent on his incandescent
lamp in January 1880.

COUNTY FAIR BOARD
PLANS FOR EXHIBITS

One of the most important meet-
ings of the Nevada County Fair
Board was held at the Grass Valley
Fairgrounds last week, with all
nine members of the board of di-
rectors present. This was the
first meeting for newly appointed
directors, Kenneth Maloney and
Herbert Pingree.

Wide publicity has been given
over the past several months on
the efforts of the state to put the
fairs on a sound business basis
where they will become more self-
supporting and allocations re-
ceived from the state will be based
to a great extent on the individual
fair's showing on income derived
from interim use and fair revenue.

Over the past years the board of
directors and management have
concentrated on developing "Calif-
ornia's Most Beautiful Fair-
grounds—Landscaped by Nature"
by planting grass under the trees,
planting a new turf in the arena,
paving the roads and walkways,
planting thousands of flowers
along the walkways and buildings,
adding new buildings to improve
and beautify exhibits for the
greater enjoyment of an ever in-
creasing number of exhibitors and
Fairgoers.

It is the hope of the board of
directors and management that
this program can be continued.
Maintenance of the present
improvements and additions to the
fairgrounds requires funds from
the division of fairs and expositions.
Even the continuance of the
present premium offerings to the
exhibitors depends to a great
extent on the state allocations.

To comply with the state's re-
quirements to qualify for the maxi-
mum payment the board is re-
quired to act immediately to in-
crease revenues. While the state
recommended that the general
admission should be raised to 50
cents the board asked for and
obtained permission to raise the
rate this year to 25 cents for
adults, retaining the 10 cent gate
for children 12 years and under—
with the usual free kid's day ad-

TWO NEW OFFICES
FOR STATE APPROVED

SACRAMENTO — (CNS) — The
state public works board has given
the go-ahead for construction of
two new state office buildings in
Sacramento, at a total cost of some
\$27 million.

One building, to be constructed
at 15th and N Streets on a site
originally acquired for a new gov-
ernor's mansion, will cost \$14,909,
430 and will be the largest office
building in California, other than
the new wing of the capital and the
two-block department of em-
ployment building near the capitol.

The eight-story structure will
mission. A special provision will
be worked out for exhibitors and
concessionaires for a reduced ad-
mission at the April meeting of
the directors.

contain 465,000 square feet of of-
fice space and will provide quar-
ters for the reclamation board, di-
visions of forestry, beaches and
parks, small craft harbors, soil
conservation, mines, and oil and
gas, the department of fish and
game and state employees retire-
ment board.

The other building, to cost \$12-
355,200, will house the Sacramento
headquarters of the department of
motor vehicles, which has out-
grown a building constructed only
a few years ago. It will be located
across the street and just north
of the present motor vehicles
building.

TAHOE TRUCKEE SCHOOL NEWS

**Truckee Elementary
KINDERGARTEN**— Our exciting news of the week is our setting hen. The same hen that we had at school last year is with us again on ten eggs.

Tad Farley has joined our class and Sandra Garcia has left us. She is now living at Paradise, Calif.

FIRST GRADE— Children who had a perfect score on this week's arithmetic test were Steven Mitchell, Peggy White, Janet Corro, Donna Horman and Dennis Dent.

FIRST AND SECOND— In the first grade arithmetic test given this week, Rose Mary Campos, LaVon Mayer, Karen Silverii, Jean King, Gary Paddock, Jimmy Peterson, Barbara Burgess, Debbie Eckerman and Joe Jauregui made 100.

SECOND AND THIRD— The tumbling mats are here and we have started with front and back somersaults. David Capel takes over as the champion tumbler.

Best spellers this week are Dotie Kirk, Kathy Golcoa, Deborah Harris, Sharon Conline, Ben King, Larry Doyle and Chris Wiser.

THIRD GRADE— A fine report on Austria was made by George

Franceshini this week. Joe Merica and Maryann Atkinson have been in charge of "pin-pointing" on the map various countries we have "visited" in our study of children of other lands.

In our six-week review spelling test the following received outstanding grades: George Franceshini, Ryan Houlgate, Jeff Jellin, Bruce Leamon, Joe Merica, Curt Mullis, Steve Silverii, Justus Spillner, Curt Wurst, Terry Higgins, Elizabeth Richards, Tamara Richards, Maryann Atkinson.

FOURTH GRADE— Doing well in division and multiplication are John Clark, David Curtis, Wilbur Glenn, Bob Goldsmith, Stan Greene, Thomas Holleman, Mike Kydd, John McGlade, Phil Risden, Bill Rose, Linda Russell, Karel Lynn Sauby, Mary Stacy, Barry Waters, Ray Wise and Kathy Worley.

FIFTH GRADE— The fifth grade boxers had some bouts with some of the other boxers in the Truckee elementary school as tune ups for their forthcoming bouts with Tahoe City in May. Looking very good for the fifth grade were Gregg Russell, Tim McLane, Jack Melugin, Ronny Walker and Rod Farley, a fourth grader who boxes for the fifth grade team.

After a difficult Spanish test some of the top linguists for the fifth grade emerged as Tim Mc-

Lane, Susie Olano, Darlyn Doolittle, Cathy Brailey, Jack Melugin and Terry Richards.

SIXTH GRADE— The sixth grade won the PTA room count banner all year.

On our math test last Friday, Ronnie Illardi and Donald Stowe both made 100 per cent.

We are glad that Creighton Lund is back after being in the hospital where he had an operation.

SEVENTH GRADE— This week we are all working on science term papers.

Queen to be elected at the dance on Friday night had as candidates Candy Board, Pat Shane, Pat Kelly and Bonnie Fair.

**Kings Beach School
KINDERGARTEN**— Our class learned two new poems this week: "March Wind" and "Jack in the Box".

Steve Wright had a birthday party Thursday during the afternoon session.

We made green shamrock pins to wear for St. Patrick's Day.

FIFTH GRADE— We have a new student in our room, Judith Sumpter from Oregon. We now have an enrollment of 37.

Our class took a bowl of fruit to George Culver at the hospital. Nicky Grellman made the card.

SEVENTH GRADE— In addition to the officers we announced last

Army

RE-UP CENTRAL ASSIGNMENT PLAN. Master Sergeant E. V. Moore, re-enlistment supervisor, Ft. Knox, Kentucky, calls Office of the Adjutant General, Washington, D. C., for approval of assignment request under new program launched January 1. Private First Class Robert M. Chesnis, Headquarters and Headquarters Company, 3rd Medium Tank Battalion, 33rd Armor, receives approval for duty in Europe. Under this new system, called RECAP, the re-enlistment supervisor can determine approval of assignment requests made by Army personnel shortly after filing application and before they reenlist.

week, we have now chosen our committees to keep our classroom running smoothly. The desk checking committee consists of Gail Fitzgerald, Bob Holley, Barbara Hutchinson, John Waincoat and Celeste De Sylva. Butch McWilliams checks the doors and the coats while Kent Fugazi is in charge of the lights and windows. Nancy Jo Berrid, Marlea Draney, Chuck Carpenter and Toni Taylor will plan our bulletin boards. The committee to see that we cleanup our room is made up of Amy Arndt, Dennis Clinton and Karen Simpson. In charge of the paper is Estelle Howell and Carol Franklin; of the chalkboard are Donna Mackin, Wayne Mandeville and Tom Sumpter; all of the balls are Don Decker and Pamela Simpson.

Stephen Newberry, Ronnie Baker and Richard Jacobson will set up the projector for us while Leta Laborde, Jon Hill, Barbara Hampton will check books in the library.

**Donner Trail School
PRIMARY CLASS**— Design was the theme of the primary art program during the past week. The students looked at designs in nature, in dress and in their homes and classrooms. They viewed film on design in music, then listened to mood music. After a discussion on the music they drew the music with colored chalk on construction paper.

UPPER GRADES— The upper grades had a film on the French Canadians which showed a great deal of how the children there live. Our class decided that life in the United States was much more interesting because it had so many more things to offer.

**Tahoe Lake School
KINDERGARTEN**— The paintings on the bulletin board this week were done by Rudy Peterson, Bobby Fitts and Susan Lewis.

The class enjoyed the beautiful pink and white camellia presented by Charlene Keehn at the sharing time on Friday.

Beverly Freeland made a trip to the dentist on Thursday.

FIRST GRADE— Stars on Friday's arithmetic test were made by Paul Corona, Steve Cross, David Thomson, Yvonne Baker, Bonnie Nyberg, Carl Rukhala, Paula Henrickson, Julie Howard, Deborah Fitts, Stephen Kilbourn, Shalle Machado, Jennine Michener, Bob Zehm, Tom Coster and Lanny Karcher.

Spelling stars this week were Steve Henrickson, David Thomson, Bonny Nyberg, Ronny Mullers, Michelle Leggras, Jennine Michener, Tom Coster and Lanny Karcher.

SECOND GRADE— All but two of the class received 100 per cent in their spelling test for the week. Several of the children have been working on individual book reports.

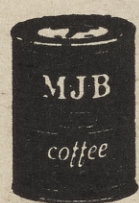

Jimmie Schaeffler wrote a nice story about birds.

President for the week was Dan Dempsey and secretary was Jimmie Schaeffler.

SECOND AND THIRD— In a final spelling test today, the following people received the grade of 100: Scott Broomhall, Gordon Phillips, Peggy Sue Hoff, Garry Johnson, Marianne Meisner, Linda Walker and Deborah Lawlor. All these people are in the second grade. The following in the third grade received 100: Calvin Bech-

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on April 20, 1960, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on highway in accordance with the specifications, therefore, to which special reference is made, as follows:

Nevada County, Brockway Road between Placer County Line and 1.5 miles northerly, about one mile southeast of Truckee (III-NeV-1245) about 1.5 miles of two lane highway to be graded and surfaced with asphalt concrete on aggregate base over aggregate subbase.

Bids are required for the entire work described herein.
Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

BASIC RATE CLASSIFICATION PER HOUR	EMPLOYER PAYMENTS FOR H & W	VACATION	PENSION
\$3.18 Apprentice engineer (oil-fireman, heavy duty repairman helper)	10c phw(1)	8c phw	10c phw(1)
3.115 Asphalt ironer and raker	10c phw	none	none
2.965 Asphalt shoveler	10c phw	8c phw	10c phw

3.29 Truck driver—6 yards and under 8 yards (water level)	10c phw	8c phw	10c phw
3.54 Truck driver—8 yards and over (water level)	10c phw	8c phw	10c phw
3.115 Water truck driver—under 2500 gallons	10c phw	8c phw	10c phw
3.215 Water truck driver—2500 gallons and under 4000 gallons	10c phw	8c phw	10c phw

(1) or due as shift differential pay

Abbreviation used above in conjunction with employer payments listed in the right hand columns are identified as follows:

ph per hour
phw per hour worked
php per hour paid
phw/p per hour worked or paid

pd per day
pdw per day worked
pdp per day paid
pdw/p per day worked or paid

Any classification omitted herein not less than \$2.865 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Employer payments other than those itemized above, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workman or mechanic employed on the project.

Over time, Sundays and Holidays—less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the County Road Commissioner, Court House, Nevada City.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed and also prequalified as required by law. The Department of Public Works reserves the right to reject any or all bids.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.

Everyone Welcome
Sunday School: 9:30 a. m.

Morning Services: 11 a. m.

The divine source of all real perception and understanding will be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "Reality."

Events in the lives of the prophets Elijah and Elisha will be featured in the Bible readings. Also included will be Paul's statement on prophecy to the Thessalonians: "Quench not the Spirit. Despise not prophesyings. Prove all things; hold fast that which is good" (1 Thessalonians 5:19-21).

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the following:

"Spirit imparts the understanding which uplifts consciousness and leads into all truth."

Spiritual sense is the discernment of spiritual good. Understanding is the line of demarcation between the real and unreal.

This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light" (505:16-17, 20-22, 26-28).

Don Gaspar de Portola camped on the present site of Los Angeles August 2, 1769; the party experienced three earthquakes.

gathering to be held in conjunction with their April business meeting on the 22nd at the Donner Trail School. The festivities will begin following a planned potluck family dinner. Items will be donated by the business people of the area which will be sold by auction following an evening of bingo playing. A portion of the funds raised will be given to the Truckee PTA to be used toward scholarships.

"GRANDMA" LEAVES

Mrs. Fronie "Grandma" Weiss who has been a guest at the Frank Zoll home in Kingvale for some months left the Sierra on the first day of spring to journey to Los Angeles where she will visit with her daughter until summer arrives. The charming great grandmother will be missed by not only her family but many of the summit residents with whom she has become close friends.

MEMORIAL RACE

"The Donner Trail Memorial Cross Country ski race is again going to be run," says committee chairman Fran Couillard of Soda Springs. The day for the running of the men's 20 mile course and

VISIT ISLANDS

A card from Honolulu told of the vacation in Hawaii being enjoyed by Mr. and Mrs. Bud Mandeville, Mr. and Mrs. E. E. Thompson, Mr. and Mrs. Dennis Adams of Kings Beach, Mr. and Mrs. Robert Davis of Kings Beach and Sacramento and Mr. and Mrs. Jim Meiver of Truckee. The congenial group is returning home this week.

Deadly carbon monoxide gas cannot be seen and has no odor.

The ladies 11 mile course has been sent for April 2. The course lays along the approximate route taken by the VIII Olympic Winter Games torch as it ascended the Donner Pass. However the race will be run from Donner Summit to the Rancho Sierra. "All completing the course will be given a pin to signify their accomplishment," says Chairman Couillard.

Following the event of the day the race committee will sponsor a no-host dinner in the Soda Springs Hotel to initiate the formation of a cross country ski club here in the area.

Argentina, the chief South American exporter of beef in the past, ranks second to Brazil in cattle numbers, with about 44 million head.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on April 20, 1960, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between Route 88 and 1.9 miles north of Hobart Mills (Ill-Nev-83-A), about 6.6 miles of 2-lane highway to be constructed by grading and paving with asphalt concrete on Class 2 aggregate base and constructing a reinforced concrete bridge, and portions of the existing highway to be surfaced with asphalt concrete and seal coat applied to portions.

Bids are required for the entire work described herein. Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

BASIC RATE PER HOUR	CLASSIFICATION	EMPLOYER PAYMENTS FOR H & W VACATION PENSION

DONNER DOINGS

By VIRGINIA O'BEAR

Everyone seems to be enjoying the beautiful spring weather we are having at Donner Lake. Seems nice to see the children out in the warm sunshine without heavy coats and jackets. Donner Lake has been covered with a thin sheet of ice in the mornings but the days are warm. A few early birds have been out boating already as I saw a runabout out on the lake a few days ago. I hope this weather continues so everyone can enjoy fishing season when it opens April 2. Speaking of fishing, there will be a fish derby starting on April 2 and will end with a free fish fry on May 15. The derby is sponsored by Donner Lake Resorts. Weighing in stations for the fish will be at the east end of Donner at McReynolds Sporting Goods and at the west end at Donner Lake Lodge.

A few people at Donner Lake have asked me about sanitary service for garbage removal in our area. The reason it hasn't been picked up the past week or so is because August Sassarini and Harry Stout have taken over the service, replacing Ray Brown and they are busy getting schedules set up for the many areas. If you need to call for service the new telephone number is LUther 7-3435. They will be out at Donner this week.

Mrs. Rex Reid celebrated her birthday recently by being taken to dinner in Sparks, Nevada, by her husband. She was quite surprised at the conclusion of her dinner when she was presented with a beautiful birthday cake and everyone sang "Happy Birthday."

Mrs. Richard Walker celebrated her birthday on March 17 at the Ladies Auxiliary meeting on St. Patrick's Day. She was presented with a beautiful green carnation corsage and auxiliary members sang Happy Birthday to Jean.

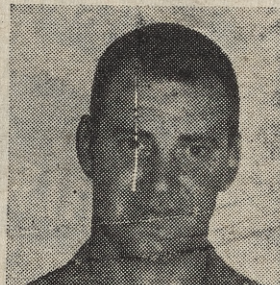

Jennifer O'Bear celebrated her tenth birthday on March 23 at the home of her parents, Mr. and Mrs. Charles O'Bear with just family members present for dinner. Earlier in the day at school, cake and ice cream was served to Jennifer and her classmates in Miss Kelsey's fourth grade class. Mrs. Vernon Davis helped Mrs. O'Bear with the party.

Committee members of the zoning for Donner Lake met Saturday night at Armstrong Realty with Chairman Dick Swanson. The committee has made much progress and Monday evening several members met with the Nevada County Planning Commission in Nevada City with their proposals. A hearing will be held sometime in April and all property owners at Donner Lake will be notified.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met for a delightful evening of fun and business at Smart's on March 17. Many committees were appointed by President Jean Walker and all were pleased with plans to sponsor another box social and queen coronation which is scheduled for April 30. Another meeting will be held before the box social to add the finishing touches to a very enjoyable occasion which can be enjoyed by all.

Any classification omitted herein not less than \$2.865 per hour plus employer payments set forth in the collective bargaining agreement applicable to the class or classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

Employer payments other than those itemized above, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workman or mechanic employed on the project. Overtime, Sundays and Holidays—not less than one and one-half (1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed and also prequalified as required by law.

The Department of Public Works reserves the right to reject any or all bids.

BOAT OWNERS ARE PUZZLED WITH NEW LICENSE DEMANDS

SACRAMENTO—(CNS)—About 175,000 California boat owners are confused and unhappy and an equal number would feel the same way if they knew what was happening.

This is the report from an unhappy state department of motor vehicles, which has been assigned the task of registering an estimated 350,000 pleasure boats in California by April 1. The law was approved in 1959 and calls for the registration, along with a \$5 fee and assignment of numbers, by April 1.

If you're reading this story on the sports page of your newspaper, that will explain a lot of the DMV's trouble.

According to the department, 50 per cent of the boat owners do not consider themselves sportsmen but feel boating is a social function. The result: they don't read about boating in the sports sections.

The department said 20 per cent of the boats are owned by women, who likewise are not faithful sports page readers.

Reams of publicity and information have been supplied on the boating act, and printed, but the bulk of this has been on sports pages, the department said.

The thing that has the department the most worried is that, on March 15, only 27,777 boats out of the estimated total of 350,000 had been registered.

A DMV representative interviewed an estimated 75,000 persons at a recent boat show in San Francisco and, from these discussions, came up with these conclusions:

Half of the boat owners have not heard of the registration law. Of the half who have heard about it, 90 per cent are confused.

"And 100 per cent of the boat owners are fighting mad," the DMV spokesman said. "They are mostly mad at the department

for having 'gotten its finger' into the boating act. They blame the DMV for 'having passed the law' and for 'gouging' boaters for a \$5 registration fee."

He explained the boat registration was approved by the legislature and the task of registration was assigned to DMV because of its experience in registering motor vehicles and drivers.

One of the points of confusion among boat owners is the numbering system. It applies to all boats but row boats and sail boats under eight feet, or boats powered with electric motors of less than 10 horsepower. The confusion over registration generally is as follows:

1. Boat owners have registered in the past with the coast guard or their county assessor, now displaying such numbers. They believe they are not required to get a new set of numbers, but they are.

2. Boat owners believe the \$5 registration fee replaces the personal property tax now levied by various counties. However, this is not so as the \$5 is merely a fee

to cover registration.

3. The law says the registration shall apply to all "undocumented boats and not all owners know what is an undocumented boat. A documented vessel is one of five net tons or over which has been recorded with U. S. Customs. Thus documentation has nothing to do with registration.

4. Many boat owners have heard about the registration but are waiting to be notified by mail. This will not come about in the initial registration because the DMV doesn't know who owns the boats.

Whatever the unhappiness or confusion, any boat owners caught on the water on or after April 2 without his new state number on the bow of his craft will be subject to a \$50 fine. Every peace officer is required to enforce the law. And there's a 50 per cent penalty for registrations after April 1.

San Francisco's Municipal Railway averages 655,000 passengers daily.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Suddenly Spring has sprung And from our minds has sprung Each thought of snow and ice. Oh my! Isn't it so nice?

I suppose you have noticed "Spring has sprung." The robins in profusion most always are the harbingers of spring. Then, too, I've noticed that the lake is dotted with boats in which are anglers fishing and wishing for fish.

ST. PATRICK'S DAY

It was another great day at the

Crystal Bay Club, colorful as usual. The color green was in profusion. Bartenders, dealers, in fact all the employees were bedecked in some manner with Kelly green. Johnny Rayburn wore a mild toned green shirt with a brilliant green four-in-hand tie that stood out like a diamond on pale green velvet.

IN HAWAII

Last Friday we received a nice card from Bud and Mickey Mandeville. It was from Honolulu. Among other notations was the usual "having wonderful time, wish you were here. In spite of their trip to the noted Islands of the Pacific, I'm sure they will agree there is no place like home — our beautiful Lake Tahoe.

IN HAWAII AGAIN

Mr. and Mrs. Hank Dodd (you know "Husslin' Hank") were reported to have fully enjoyed their boat trip to Hawaii. Their return trip will be made by plane. Hope they, too, are enjoying themselves.

TWENTY ONE

On March 10, our grandson, Davey Ashton, "became a man." Yes, and what a happy young man is he. His birthday dinner was celebrated at the home of Mrs. Russell Mills, currently of Carnelian Bay and Reno. While studying at the U. of Nevada he resides at Mrs. Mills' home. She feted him, together with "Timmy" Mizner, with a dinner described by

the young men as "out of this world."

SPEAKING OF DINNERS

The Mrs. and I enjoyed a most wonderful and delightful dinner at the home of Mr. and Mrs. "Dick" Lavery this past Sunday night. As usual, it was excellent.

LADY ELKS

Fun and food, frolic with fervor were the by-words of the afternoon when the Lady Elks met at Lake Forests well known dinner house Bacchi's Inn.

The Lady Emblems as you no doubt know are the "effeminate" members of the B. P. O. E.

VACATIONING

Dr. and Mrs. Allen Sklar who have been away for a time are said to have extended their vacation for a few weeks. Word has it that they expect to return by April 15.

VISITORS

Jim and Evelyn Phelan of Avila, California visited the Dave Ashton's last week. Jim and Dave are old Pasadena fire department "buddies."

STARTING IN

Sam and Audrey Harrison are anticipating the start of their spacious new home on Brassie Ave. It will be due south of their present abode. Sam and his brother, George, finished surveying last week, now Sam is anxiously awaiting the building permit. The present home was purchased by Mr. and Mrs. Warren Strahm who at present live in southern California. The Strahms were recently the guests of Mr. and Mrs. Harvey Klitzke. "Harve" is one of our local realtors.

MORE VISITORS

Over this last weekend, Mr. and Mrs. Jimmy Jensen spent their time with Andy and Alice Sorensen. Jimmy is well known to the bar patrons at Harolds Club in Reno.

BIRTHDAY

At this writing, our newest citizen, Master Craig Wesley (baby boy) Boatman celebrated his second week's birthday. His proud parents are Jack and Marilyn Boatman. You're all familiar, I'm sure, with the very popular "Jack's" Market in Kings Beach.

COMMENDABLE RECORD

Our long-time constable and dear friend, Harry Johanson, today received a "citation." He was

awarded a safe driving commendation. Harry's pin which he proudly displays, proves that he has been a safe driver for 23 years. Quite an honor and accomplishment, don't you agree?

TO AN OLD FRIEND

Surely many of you remember Andy Johnson. We are deeply saddened at the loss of a dear

friend to many of us. Andy was a long time resident of Kings Beach. He has been here for some thirty-odd years. For many years Andy was very active in local community affairs. He will be missed, and we shall, too, miss him. Andy passed away this Monday morning, March 21.

DISTRICT 3 IS AGAIN WINNER OF SAFETY

For the second consecutive year, District III of the state division of highways, with headquarters in Marysville, has won the annual award for the best accident prevention and safety record of any of the 11 state highway districts.

District Engineer Alan S. Hart accepted the award on behalf of the 1250 district employees at ceremonies in Marysville. The presentation was made by B. A. Switzer, state safety engineer of Sacramento, who represented State Highway Engineer J. C. Womack, chief of the division of highways.

A spokesman for the district said that winning the award is an important achievement for the central valley-Sierra mountain district. Only a few years ago it ranked 10th and 11th, he said, adding that taking the honor is the pay-off as a result of an intensified safety and accident prevention program within the district during recent years.

Safety cannot be legislated, he stated. It can only be achieved through constant vigil and the development of safety-mindedness by every individual with an organization.

District III—comprised of Glenn, Colusa, Yolo, Butte, Sutter, Sierra, Nevada, Placer, El Dorado and Sacramento counties—contains 12,688 square miles, larger than nine of the 50 states, and about 1,400 miles of state highways.

Faced with every type climate and road problem found elsewhere in the state, except desert, the district includes small towns metropolitan areas, rugged mountains and marshy lowlands, regions of extreme cold and sub-tropical warmth, large rivers and dry washes that can become torrents in a matter of hours.

With three routes over the Sierra to keep open, snow removal is major winter problem. Donner Summit regularly records the heaviest snowfall on a major highway in the United States. Keeping this route open during stormy weather presents one of the major safety problems in the district.

It is a tribute to the safe work habits of the groups in these more hazardous work areas and high exposure assignments that the coveted award returned again to District III, the spokesman said.

KINGS BEACH MAN IN GERMAN MANEUVERS

24TH INF. DIV., GERMANY (AHTNC)—Army Specialist Five Richard I. Astle, 28, son of Mr. and Mrs. Ivan A. Astle, Kings Beach, recently participated with other personnel from the 24th Infantry Division in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany.

Winter Shield, an annual Seventh Army winter maneuver, involved 60,000 troops.

Specialist Astle, who arrived overseas in February 1956 on this tour of duty, is assigned to the di-

WHO, ME?

By Albert J. Nevins, M.M., Editor of MARYKNOLL

Although it's easy to talk brotherhood, it isn't easy to live brotherhood—especially when so many tensions and prejudices pull at us from every side. It is easy to get up on a platform and make a speech about race relations, but it is not easy to get up from a card table and walk away when your fellow players start running down some race or group.

IT IS ONE thing for a father to tell his children about the Fatherhood of God. But it is quite another thing for him to act on that principle when he is hiring employees. In the office family names or physical features may weigh more than qualifications.

It is no problem to sit in church on Sunday and agree with the preacher when he speaks about the love of God and neighbor. But it's something else again to extend a welcoming hand to a colored family desiring to settle in your neighborhood.

BROTHERHOOD is real when you act to rid your city of slums. It is real when you work to provide decent recreation for children who have to play on crowded streets. It is real when you send a package of clothing to refugees in Hong Kong or West Berlin.

Brotherhood is not confined to merely one week in the year. It

is a moving drive that permeates our daily routine. It is an attitude that underlies our decisions and activities.

BROTHERHOOD is positive. It compels us to do things for others—not merely to tolerate them.

It is impossible to love God and not love your fellow men. A man can claim to love God and deceive himself. Charity, which is another name for brotherhood, proves that love.

A MAN CAN have the greatest powers in the world, but if he has not love for his fellow man he is nothing. He can give away millions of dollars to build universities or parks or libraries, but if the gift is made only to honor his own name, it is a gigantic hoax of pride.

Brotherhood does not lead us to seek self-glory. But it does seek the glory of others. It accepts all men as good until they prove themselves otherwise—even then it treats them with a kindness and consideration that may turn them from their faults.

BROTHERHOOD is like a stone dropped into the center of a placid pond. The circles reach out to eventually touch all the shores. So too, brotherhood reaches out beyond our neighborhood to the world. It concerns itself with every man everywhere. It recognizes a brother in every man because each one carries the image of God, our Father.

† Publicist Feature Service, Washington 17, D. C.

FAILURE TO LOWER LIGHTS TO BE RAPPED

Motorists who fail to lower their headlight beams when they should will get their full share of attention from California Highway Patrolmen, an announcement from CHP Commissioner Bradford M. Crittenden disclosed today.

"We note that drivers are becoming lax in lowering their headlight beams," Crittenden added, "and we want to stress the importance of complying with a law whose purposes is to make driving at night safer."

"Compliance really is a simple matter. All the law requires is that you lower your headlight beams at night when within 500 feet of an approaching vehicle or when you are following another

car within 200 feet."

The commissioner expressed the view that carelessness is the main reason for failure to dim lights. But he added he has experienced occasions in which he felt that the other driver had deliberately refused to lower his beams.

"These people are a menace to highway safety and must be dealt with accordingly," Crittenden declared. "I am satisfied that illegal use of high beams contributed to many of the collisions that killed and injured so many persons on California's streets and highways last year."

Maine produces 75 per cent of the nation's domestic soft shell clams.

Johnson Acts To Protect Owners In Forest District

Congressman Harold T. (Bizz) Johnson of the 2nd, valley-mountain, district has introduced legislation which would protect forest service leaseholders whose property is taken for interstate highway purposes.

"A serious inequity has developed in the interstate program," declared Congressman Johnson, a member of the public works committee looking into the interstate program, "especially when it comes to acquiring rights of way through national forests."

"The net result is that neither state nor federal government can pay damages for improvements in acquiring rights of way for highways over forest service lands under non term commercial and residential permits."

An immediate case in point is on Highway 40 near the Donner Summit where a relocation is being planned. Several Big Bend Tract cabin owners and the operators of the Helgren Lodge must move. Without passage of this legislation, they cannot be paid damages for their improvements nor for the moving of any improvements which must be relocated.

Congressman Johnson explained this is not from any desire on the

part of state or federal government, but just because the law does not permit it. The situation briefly is this:

The commercial and cabin property involved was developed under provisions of non term use permits granted by the forest service. Where improvements are constructed under non term revocable permits, the improvements must be removed free of costs if the lands are needed for public purposes, such as highways.

This provision prohibits the federal government from paying damages.

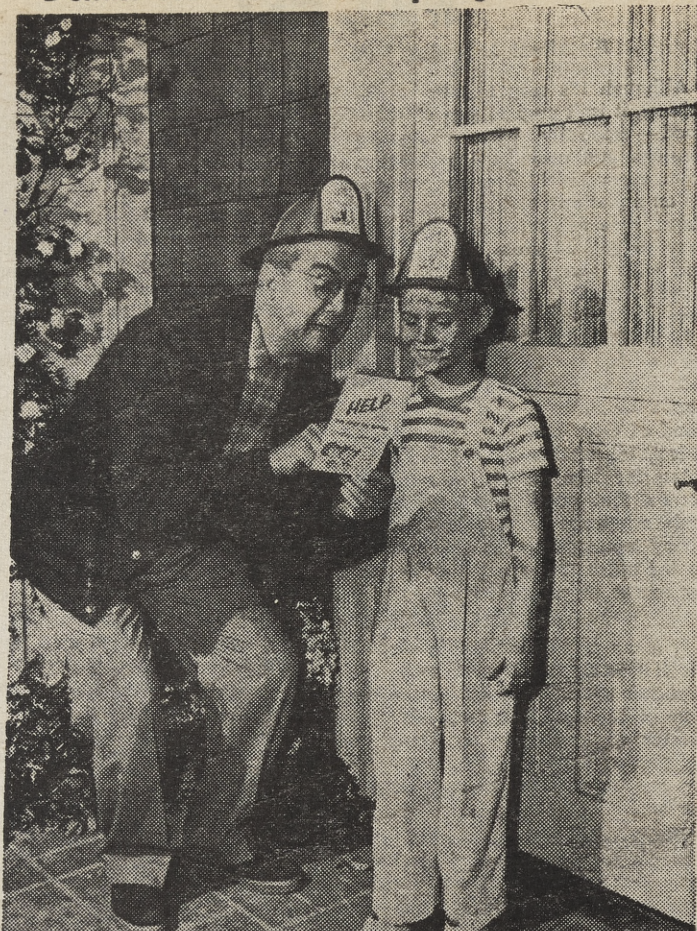

The state has ruled that if the permit is revoked, the former permit holder has no interest in the real property and therefore cannot be paid damages for improvements. To pay, the state held, would be an illegal gift of public funds.

"Thus we find the permit holders caught in the middle," Congressman Johnson said. "The federal government must revoke the permit and no one can pay for the improvements. It was never anyone's intention to take something for nothing and I hope that through this legislation we can provide just compensation in this and other similar circumstances."

Congressman Johnson's proposed legislation would permit payment for these damages by the federal government, taking the money out of the 90 per cent share the United States contributes to interstate highway projects. Thus, the federal costs would not be increased.

The congressman also noted that a similar situation does not exist in cases where permit holders have leases or permits covering a stated term. In these cases, the forest service has held, the permit holder must be compensated if the lease or permit is terminated before its normal expiration period.

Dennis No Menace to Spring Fire Safety

Young Jay North, who plays "Dennis the Menace" in the popular CBS-TV series, takes time out from his usual antics to join in the Spring Clean-Up fire prevention campaign of the nation's nearly four-million Junior Fire Marshals. Jay and elementary-school youngsters in thousands of communities are attaching reminder tags listing Spring Clean-Up fire safety tips to doorknobs of homes across the country. The door-tagging project is part of the year-round Junior Fire Marshal program sponsored as a public service by the Hartford Fire Insurance Company. Here Dennis checks fire precautions with his arch-enemy and neighbor, Mr. Wilson (Joseph Kearns).

AUXILIARY ENJOYS ST. PATRICK MEET

By VIRGINIA O'BEAR
An enjoyable evening was spent on St. Patrick's Day when ladies of the auxiliary of the Donner Lake Volunteer Fire Department met at Smart's. The tables were gaily decorated with green hats and since it was the birthday of president Jean Walker, she was presented with a beautiful green carnation corsage. Hostesses for the evening were Ozella Slate, Dorothy Slack and Bess Reid.

After a delicious dinner, business got under way and the president named her committees for the year. Charlotte Harris will be entertainment chairman. On the sunshine committee to send messages of cheer to members who are ill will be "Gil" Gilson, Mary Ellen Maxey and Janet Franklin. On the disaster committee, members Claudia St. Claire, Nancy Brodie, JoAnn Affeldt, Laura Horman and Fredna Smith were named to take care and furnish the firemen and crews in any emergency with food and coffee. Virginia O'Beare will be publicity chairman for the year.

Many members of the auxiliary were busy this week contacting the various service clubs and invited them to enter a candidate for the "Miss Donner Lake" contest. The queen will be crowned at an old fashioned box social at the new Truckee Elementary school on April 30. Deadline for the service clubs to enter their candidate will be April 19. Last year's box social was such fun for all of the family that the auxiliary decided to sponsor it annually. The admission is free and tickets may be obtained free from any member of the auxiliary and participating clubs, but you must be present to win the door prizes and to cast your vote for Miss Donner Lake. Each lady is asked to bring a box supper for two. The time is 6:13 p. m. on April 30 so why not reserve that evening for the whole family to enjoy. All candidates entered in the contest will participate in all events scheduled for the year and will reign over the Donner Lake Regatta on July 10.

PEP TONES ARE TO BE AT NEVADA LODGE

Direct from a three-year engagement in Las Vegas, the Pep Tones open March 25 in the Theatre-bar of the famous Nevada Lodge, the big 100-room hotel-casino at the north end of Lake Tahoe.

This dynamic young instrumental and vocal trio has carved a niche for themselves among the country's top groups and will bring an outstanding record of success with them to the Theatre-bar spotlight.

In City—

Mrs. Nace Firpo is a business visitor at San Francisco this week, attending a showing of merchandise for Cabona's Store.

In Valley—

Mr. and Mrs. Walter Jellin attended to business in Sacramento and San Francisco during the weekend.

CARD OF THANKS
To our many friends and neighbors who were so considerate during our recent bereavement, we take this means of expressing our heartfelt thanks.

Local Boys Win In Nevada Ski Meet

By CRAIG BECK

Tahoe Truckee High School did it again. For the third consecutive time the boys' ski team took first place in the events in the Nordic Combined Meet, Friday, March 19, at Sky Tavern, on Mt. Rose.

The TnT team topped the team from Manogue High School by a one point margin. South Tahoe was third.

The Nordic Combined is a combination of cross-country racing and ski-jumping. The racing was held in the morning, and the jumping in the afternoon.

In the cross-country, Manogue's Brad Graber had the best time, with Tahoe Truckee's Bob Kettenhofen just 16 seconds behind. The final scores for the cross-country were: Tahoe Truckee 17, Manogue 17 and South Tahoe 7. Even though Truckee and Manogue tied for first place, Truckee came out ahead in individual scoring with a 2nd, 3rd, 4th and 6th place.

In the ski jumping, Brad Graber, of Manogue, again took a first place, but the boys from Tahoe Truckee were still in the contest. Even though they couldn't get out quite as far as Manogue, they were able to score enough wins over the other jumpers to squeeze in one more point.

Outstanding jumpers from TnT were Bill Connors, who placed third; Bob Hobbs, who was fourth; and Wayne Poulsen, who was fifth.

The extra point in the jumping put Tahoe Truckee out in front with one point to cinch the Nordic combined with 28 points.

Coach Eugene Goodrich says that the boys have an excellent chance to win the coming four-way championship, tomorrow and Saturday, at South Tahoe where the events will take place on the Heavenly Valley hill.

MORE DONNER LAKE LAND IS PURCHASED

NEVADA CITY—Southside Development Company, recent purchasers of the Dollar Estate on Donner Lake at the Nevada-Placer county line, recorded the purchase of adjoining property from Norman Blitz of Washoe County, Nevada.

According to the stamps attached to the record of sale in the Nevada County Recorder's office on March 17, the sale price is over \$100,000.

On February 11, the Southside Development Company recorded the Dollar property sale which was in excess of \$75,000 for approximately for two lake front lots, one of 37.1 acres and the other of 2.5 acres. The larger lot overlaps into Placer County for about nine acres.

To Capital—

Mr. and Mrs. Daven Morey were Saturday visitors in the capital city.

parties who had made an offer to purchase. The amount of the settlement was not revealed.

COMMANDER OF CAP SEEKS APPLICATIONS

At the Civil Air Patrol meeting held Saturday, March 19 at the Veterans Memorial Building, guest speakers were Lt. Col. Graham, Major Sutton and Capt. Sellers from Sacramento Valley Group No. 4, Sacramento. They explained the functions of the squadron staff, and the cadet activities.

A regular patrol meeting was held Monday evening at the Veterans Memorial Building, at which time Jack Houlgate, squadron commander expressed the importance of getting all CAP applications that have been given out, returned to him as soon as possible. These applications are needed before they

can send for charter. Applications can be turned in at the regular meeting on Monday, March 28. There will be a regular meeting every Monday evening at the Veterans Memorial Building, starting at 7 p. m.

It should be noted at this time, that all interested teenagers who want to become cadets, will also attend the meetings starting Monday. All cadet applications that have been given out should be returned at this time.

There is yet a lot of ground work to be done, as far as this organization is concerned, and it is asked that all personnel attend these meetings. This is most important, so as to start off with a solid foundation.
